NEW YORK
INVESTMENT CONFERENCE • 2025

Wednesday, May 14, 2025, at Jazz at Lincoln Center's Frederick P. Rose Hall
One Columbus Circle NYC at 59th Street

*Where Wall Street Unites
to End Childhood Cancer*

30 YEARS OF INNOVATIVE INITIATIVES

The Sohn Conference Foundation is dedicated to the treatment and cure of pediatric cancer and supports cutting-edge medical research, state-of-the-art research equipment, and innovative programs. The Foundation raises its funds through the renowned Sohn Investment Conference in New York City and a number of premier investment conferences around the world.

The Sohn Conference Foundation honors the memory of Ira Sohn, a talented Wall Street professional whose life was cut short when he passed away from cancer at the age of 29. Ira's friends and family founded The Sohn Conference Foundation in New York City in 1995. Since then, investment leaders from across the globe have been inspired to launch partner Sohn conferences and unite the financial community to support a number of charitable causes. To date, The Sohn Conference series has raised over \$100M globally. More information on The Sohn Conference Foundation is available at www.sohnconference.org.

This year Sohn expects over 1000 attendees to hear stock idea presentations from top Portfolio managers in the industry.
