

BATTLEFIN DIGITAL ASSET MIAMI

Where Data Meets DeFi

January 26, 2022 | Nobu Eden Roc Hotel

DATA IS THE DNA OF DEFI & CRYPTO.....

At Discovery Day Miami 2022, data industry leader **BattleFin** will bring together leaders in Data, Digital Assets and DeFi/Crypto to discuss the natural nexus of these explosive industries and to present unique data insights and the latest industry offerings. Do in 1 day what would take you months to do on your own. We're bringing back the unique networking opportunities that only live events can provide. Join us in sunny Miami Beach, Florida at the Nobu Eden Roc Hotel on January 26, 2022 for **BattleFin's** first digital asset focused alternative data event.

1 FULL DAY OF EXPERT SPEAKERS, INSIGHTFUL CONTENT, NEW PRODUCT LAUNCHES, & DATA DROPS.

As an attendee at this event, you will hear from best-known experts in alt data, crypto, DeFi, blockchain, NFT's, investors, and industry leaders like Kevin O'Leary, Jon Najarian, Marc LoPresti, Tom Lee, Jordan Fried, Jaime Leverton and many more. The last time a crypto event hit Miami it sold out and then some... and **BattleFin** is bringing that energy back. You won't want to miss this incredible event.
